Democracy Festival 2021 - 11.03.2021

NSS Unit of AAA College of Engineering and Technology, Election department of Virudhunagar district jointly organized the voter awareness program with an aim to increase the voter turnout in the ensuing Assembly election for all students and staff members in our college campus. Our beloved Principal Dr.M.Sekar welcomed the gathering. Our college correspondent Dr.P.Ganesan welcomed the chief guest with a shawl. All the college students were standing in a position to create awareness about the election in front of the open auditorium. Virudhunagar District Collector, R.Kannan, inaugurated a model polling booth at our campus. The model polling booth with all basic facilities and some decoration was meant to attract voters into the booth. First time voters will not know what is there inside the polling booth. To make them familiarize, we have set up the model polling booth. District Collector administered a pledge to the students on the need to vote without getting anything favor from the candidates. The Collector insisted the students should

VACCINATION DRIVE FOR COVID 19 - 27.03.2021

WHO has declared the COVID-19 epidemic affecting countries as a Pandemic. COVID-19 vaccination will help save lives, stabilize health systems and drive economic recovery. India rolled out the world's largest vaccination drive from January 16 to vaccinate the citizens against the coronavirus disease. On 27-03-2021, the Primary Health Centre, Amathur & NSS Unit of AAA College of Engineering and Technology, Sivakasi organized a Vaccination drive for the staff members in the college campus. Nearly 50 staff members were benefitted from this drive. This vaccination drive was inaugurated by our honorable Principal Dr.M.Sekar. The team of frontline workers from the Primary health centre, Amathur headed by Dr.V.Vaitheki has successfully vaccinated our staff members. This drive was coordinated by the NSS unit coordinator Mr. S. Balamurugan Assistant Professor of Mechanical Engineering, Physical Director Mr.K.Rajkumar.

HOW TO POLL YOUR VOTE IN VOTING MACHINE - 27.03.2021

UBA (UNNAT BHARATH ABHIYAN) Cell of AAA College of Engineering and Technology (AISHE Code-49143), Sivakasi organised an awareness program on **“How to Poll your Vote in Voting Machine”** during election for the people in the Amathur.

The programme was inaugurated by our beloved AAACET Principal Dr.M.Sekar. Mrs. V.Malarkodi Amathur Revenue Inspector (RI), Mr. N.Umaganesan Amathur Village Administrative Officer (VAO), AAACET UBA Cell coordinator Mr.R.Meby Selvaraj, AAACET Physical Director Mr,K.Rajkumar and 60 students of AAACET are present. In this regard, the students went in the streets of Amathur and raised their voice for 100% polling in the upcoming election. Then a camp was organised near Amathur Bus Stop for the rural people and for the first-time voters present in and around Amathur. The student of AAACET teaches the people to use the Voting machine. Around 500 people in and around Amathur joined in the program and gained knowledge on polling the vote through Voting Machine. This camp was coordinated by the UBA Cell Incharge Mr.R.Meby Selvaraj Asst. Professor of Mechanical Engineering.

REPORT ON “Awareness Program – Dengue Fever”

Venue: Oxford Block Date: 10.10.2020.

As per the instruction given by the Ministry of Health and Family Welfare, NSS Unit of AAA College of Engineering and Technology, Sivakasi conducted an awareness program on 10-10-2020 in the college campus. Our beloved professor, Head of the Department of Science & Humanities, Mr.V.Thiraviarajan welcomed the chief guest Dr.Vaidhegi, Government Hospital, Amathur & Mr.R.Subramaniam, District Entomologist, Virudhunagar. Our chief guest Dr.Vaidhegi initiated the lecture about the Dengue fever. Our chief guest Mr.R.Subramaniam delivered the talk about the root cause of the Dengue fever and the methods to eradicate it. He insisted the staff members to convey this information to their relatives. All the staff members eagerly attended the program. Many staffs are gained more information about dengue fever through this program. This awareness program was coordinated by the NSS unit coordinator Mr. S. Balamurugan Assistant Professor of Mechanical Engineering & Mr.K.Rajkumar, Physical Director.

Requisition letter for Establishing Covid care center from Tahsildar,
Mrs.V.Muthulakshmi, B.A

WHO has declared the COVID-19 epidemic affecting countries as a Pandemic. Due to the inflow of persons from affected countries, other state has strengthened the surveillance and control measures against the disease and has gone forward in identifying almost all possible contacts thereby preventing the spread of disease and timely health interventions to affected persons. State-

AAA COLLEGE OF ENGINEERING & TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)
Kamarajar Educational Road, Amathur, Sivakasi – 626 005.

level, District level, and Local Self Government Institution level structures have been set up in the state to ensure a coordinated response to COVID 19 management. Interdepartmental coordination at the district level to handle issues and spreading of information, education, and communication-related to COVID 19 is spearheaded by the District Administration.

With the facility requisition from the district administration, our college has set up a 300-bedded COVID Care Centre at Amathur on the outskirts of the city for accommodating asymptomatic COVID-19 patients.

Our college provides uninterrupted power supply to the covid care center by using the 35 KVA Genset.

35 KVA Genset - AAACET

Reverse Osmosis Plant - AAACET

AAA COLLEGE OF ENGINEERING & TECHNOLOGY

(An ISO 9001: 2015 Certified Institution)

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)
Kamarajar Educational Road, Amathur, Sivakasi - 626 005.

The Reverse Osmosis Plant installed in the college campus caters to the drinking water needs for covid care center. The capacity of the RO plant is 1000 lit/hr.

The college campus was used as a quarantine center to accommodate overseas returnees during the initial stages of the spread of the virus. Upon arrival from foreign countries, the returnees, who opted for free accommodation, were taken to the college. They were accommodated in the hostels of the institution.

Covid19 Care Center is a comprehensive solution for effective daily reporting/monitoring of the quarantine and health status of the people under surveillance by Field Health Workers and provision of health service through the Medical Officers based on the reports available in the hospital.

Our college Covid Care center starts from 21st July 2020 & it is ended at 25-08-2020. Nearly 730 patients benefitted from this care center.

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)
Kamarajar Educational Road, Amathur, Sivakasi – 626 005.

The district collector honored our college principal Dr.M.Sekar with the appreciation momento for providing this covid care center facility to our district.

Depending upon the level of infection, the patients would be admitted to the hospital. If the patients were asymptomatic or mildly symptomatic, they would be shifted to the COVID care center at the college campus of AAA College of Engineering & Technology.

With the creation of more facilities, the college has now been made a special COVID Care Centre. Our college NSS volunteers prepared the arrangements for the accommodation with new cots and beds in the reading hall of the hostel. With this, they can accommodate 300 patients. Our college NSS unit ensures all the basic facilities for the patients to make them comfortable in the college campus.

Virudhunagar District Collector Mr.R.Kannan I.A.S, distributing appreciation Award to Dr.M.Sekar, Principal, AACET

Mr.P.Balasubramanian, Health Inspector, demonstrating Yoga for Covid Care Center - 01-08-2020

Too much stress releases the hormone known as cortisol, which impairs the response to immediate surroundings and makes your body susceptible to infections. The best way to relieve stress is through meditation & Yoga. All yoga practices utilize deep relaxation which could release all tensions and stresses to prevent immune suppression that would otherwise have weakened the responses to the onslaught of infectious bacteria and viruses. Yoga Master Mr.D.Muthukumar demonstrated various yoga's & explained the benefits of it. The patients actively participated in the demonstration with all eagerness.

Besides allopathy doctors, Dr.S.Syed Sheriff, B.S.M.S, Ayush Medical Officer, Amathur, Government Primary Health Center visited the center regularly to treat the patients.

The food you eat plays a key aspect in determining your overall health and immunity. Good nutrition is crucial for health, particularly in times when the immune system might need to fight back. Sprouting increases the nutritive value of the ingredients and provides better digestion. The young sprouts have 10 to 100 times glucoraphanin which is an enzyme that provides antioxidants
