SUMMARY REPORT

on

“NBA ACCREDITATION PROCESS”

The IQAC of AAA College of Engineering and Technology organized a workshop on “NBA Accreditation process” was conducted on 20.07.2021 for our teaching faculty. Prof. Mahadevan Ramachandran Founder, Chairman & Principal Advisor, Aasaan Educare Foundation, Chennai acted as the Resource person. This workshop was very useful for the participants to understand the various process involved such as Online Registration, Details Submission, SAR Report Generation, NBA Peer Team Visit, Analysis & Evaluation by Committee Members, and Alumni Association Activities. This workshop was given benefits to our 33 faculty members. Dr. Mahadevan also inspected the department NBA files to check the preparedness of the departments that are planning to apply for NBA accreditation.

The IQAC-AAACET and Department of Electronics and Communication Engineering in association with IQAC, conducted a Guest lecture on “Universal Human Values – An Introduction to Human Values” on 19.03.2021 from 03:50 PM to 04:40 PM at Thomas Alwa Edison Hall, AAACET for the students and faculty of ECE. The Resource person of the Guest Lecture is Mrs. P. Durga Devi, Assistant Professor, Department of Science and Humanities. The Resource person shared various ideas and concepts about UHV. She mainly shared about the human values and Moral values

It provides a universal basis for human values

- That supplements and can provide direction to the present educational and social systems.
- The basic human values are fundamental to human nature and human existence.
- These values are universal in nature, applicable to all human beings, in all places and all times, e.g. truth, love and compassion.

The Lecture was so thought provoking that it made the gathering to think about the necessity of moral teachings to the mankind. It served as the eye-opening session for the students and gave a good insight for students for their future life. Totally, 106 Students and 9 Faculty attended the program.

REPORT

AAA College of Engineering and Technology Department of Electronics and Communication Engineering successfully inaugurated "Texas Instruments Innovation Lab" on 01.02.2020 in college campus.

Mr.V.S.Ramesh, Director, Steps Knowledge Services Pvt. Ltd., Coimbatore was the chief Guest of the day for the event.

The event started by ribbon-cutting ceremony by Joint Secretary Dr.K.Vigneshkumar followed by lightning the kuthuvilaku by the dignitaries. Ms.S.Neha, Second year ECE, welcomed the gathering present in the event. Dr.S.Sevugarajan, Professor and Head, Department of Electronics and Communication Engineering facilitated the gathering in which he highlighted main objective of the lab establishment and also explained the various equipment bought for the lab. Principal Dr. M.Sekar facilitated the gathering in which he encouraged both students and faculty of the college to utilize the facility created. He also insisted the students and faculty to use the lab and innovate atleast 3 new project each year.

The Joint Secretary Dr.K.Vigneshkumar, facilitated the gathering in which he highlighted such lab are created for the benefit for students and faculty to know about recent advancement in technologies. Ms. Dhivya, Second year ECE introduced the Chief Guest of the day to the gathering.

Mr.V.S. Ramesh, delivered the Inaugural address to the gathering. In his inaugural address he stated the importance of lab for enhancement of their employable skills. He also created awareness amongst the students and participants about the available opportunities in the industries and how to improve their employability. The programme ended with a vote of thanks delivered by Ms. Swetha of Second year ECE.

Seminar on Outcome Based Education and Accreditation

The Internal Quality Assurance Cell (IQAC) has planned to conduct a seminar on “**Outcome based Education and Accreditation**” on 13-01-2021 (Wednesday) for our faculty.

Dr. J. Raja Murugadoss, Vice-Principal, GMR Institute of Technology, Kakinada, Andrapradhesh will address the faculty.

Time: 2:30 PM to 4:30 PM

Venue: Sir Visvesvaraya Hall, Cambridge Block

All are invited to attend the programme without fail.

Summary Report on “Bloom’s Taxonomy for assessing Learning Outcomes”

Date of the Program: 13.01.2021

Venue: Sir Visvesvaraya Hall, Cambridge Block

IQAC of AAA College of Engineering and Technology organized a Faculty Development Program on “Bloom’s Taxonomy for assessing Learning Outcomes” was conducted on 13.01.2021 for our teaching faculty. Dr.J. Raja Murugadoss, Vice Principal, GMR Institute of Technology, Kakinada, Andra Pradesh, acted as the Resource person of this faculty development program. This faculty development program was very useful for the faculty members. He explained how To write Learning outcomes using Bloom’s Revised Taxonomy. In addition faculty members learned about student learning outcomes such as: student-centered; speaking directly to students; aligning content, activities, and assessment; telling students the purpose of the learning; articulating to students how they are expected to apply their newly-acquired knowledge, skills, and attitudes; are narrow and specific; are observable and measurable to verify that learning has been accomplished; are typically expressed in 5 to 10 statements. Our faculty members were cleared the doubts on and around the Teaching-Learning assessment outcomes. A total of 62 faculty members was attended and gets benefited from this faculty development program.

**CERTIFICATION COURSE ON RED HAT CERTIFIED SYSTEM ADMINISTRATOR
COURSE
(05/01/2021 to 09/01/2021)**

SUMMARY REPORT

The IQAC Cell and Department of Computer Science and Engineering organized a Certificate Course on “RED-HAT CERTIFIED SYSTEM ADMINISTRATOR COURSE” during the period of 05/01/2021 to 09/01/2021. Students of final year Computer and Science Engineering department had attended the course.

Dr.J.Sutha, Professor and Head / CSE, Welcomed the gathering. Dr.M.Sekar, Principal, AAA College of Engineering and Technology gave the felicitation address. Mr.R.Sakthi Kumar Instructor/WINWAYS Infomatics Pvt.Ltd was the resource person of the course. Mrs.G.Kavitha AP/ CSE organized this course. The main objective of this course was to know the basics of Linux Programming. This course helped the students to understand some of the basic Knowledge about Linux and which enhanced the student’s knowledge. By this course, students knew the Linux Programming.

Totally 43 students of 4th Year CSE gets benefitted by this course. At the end of the course, Quiz was conducted .The students who performed well is honored by the Principal. He distributed the certificates to the students. At the end of the course, Ms. DIVYA S of IV/ CSE gave vote of thanks. The students appreciated the course instructors for their effective training. As such, we can conclude that, this program appeared to have been met the main motto and the provision of this course is highly valued by members.

REPORT ON ART OF WRITING A RESEARCH PUBLICATION
(Webinar)

Date: 15.12.2020

Webinar on the topic "Art of writing a Research Paper"

The Internal Quality Assurance Cell (IQAC) and Institutions' Innovation Council (IIC) of our college organized a **webinar on the topic "Art of writing a Research Paper" on 15.12.2020** (Tuesday - 11.00am to 12.30 pm). Principal Dr.M.Sekar, Presided over the function and delivered his felicitation address to the participants. IIC President Dr.R.Pon vengatesh gave his inaugural address where he explained the importance of writing a research papers. **Dr.G.Vairamuthu, Associate Professor**, Department of Mechanical Engineering, AAA College of Engineering and Technology was the resource person for this event and he discussed about the essential qualities of good research paper.

Vairamuthu G is presenting

Institute for Scientific Information (ISI)

- ISI offered bibliographic database services.
- It maintains citation databases covering thousands of academic journals.
- The original Science Citation Index (SCI) was launched in 1961.
- The ISI also publishes the annual Journal Citation Reports (JCR) which list an impact factor for each of the journals that it tracks.
- ISI was sold to the then Thomson Scientific and Healthcare in 1992 and became part of Thomson Reuters in 2008 when the Reuters Group was acquired.

REPORT

GUEST LECTURE ON “UNIVERSAL HUMAN VALUES – AN INTRODUCTION TO VALUE EDUCATION & UNDERSTANDING HARMONY IN THE SOCIETY AND FAMILY”

The IQAC-AAACET and Department of Science & Humanities in association with IQAC, AAA College of Engineering & Technology, Sivakasi organized an “Universal Human Values – Introduction to Value Education & Understanding Harmony in the Society and Family” for the I year Students on the 12th November, 2020 from 9.00 a.m. to 12.30 p.m. through Google meet, AAACET. The resource person of the Guest Lecture is Mrs. P. Durga Devi, Assistant Professor, Department of Science and Humanities.

The resource person shared various views and many short stories related to the topic and explained the concepts. The various activities were given by the resource person in which, the students would be fully engaged throughout the day for the entire duration of the program. The time during the Program is also used to rectify some critical lacunas and sensitize them towards exploring their academic interest and activities, reducing competition and making them work for excellence, building relations between teachers and students, and overall personality development. It will help to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity, and understanding of the self, people around them, society at large, and nature. Totally, 180 Students and 15 Faculty have attended the program.

Summary Report on "ISO PROCEDURES AND AUDITING"

IQAC of AAA College of Engineering and Technology organized a workshop on "ISO Procedures and Auditing" was conducted on 17.09.2020 for our teaching faculty. **Mr.R.Sakthi Kumar, Lead Auditor, Swasthik Global Technologies** acted as the Resource person. This workshop was very useful for the participants to understand about the process of obtaining the System certification involves four Critical Phases: Offer & Contract Phase, Audit preparation stage Performance of Audit, Issuance of certificate.

In addition he explained how to assess the effectiveness of organization's quality management system and its overall performance, Review of Quality Objectives and reports, External internal issues, Academic Process and performance, internal audit findings and resource management. The overall workshop has given the brief understanding on the existing systems and its adequacy to meet out the requirement of the standard. Totally 28 faculties and 9 non-teaching faculties were actively participated on the event.

Summary Report on “Outcome based Education and Accreditation Process”

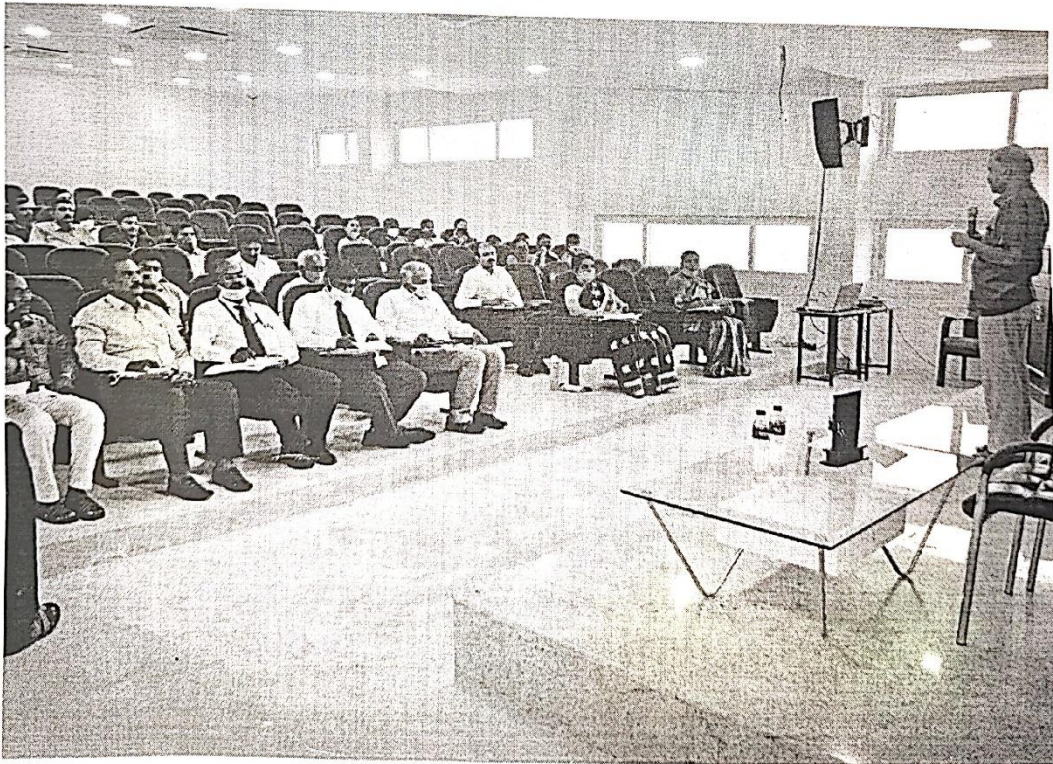

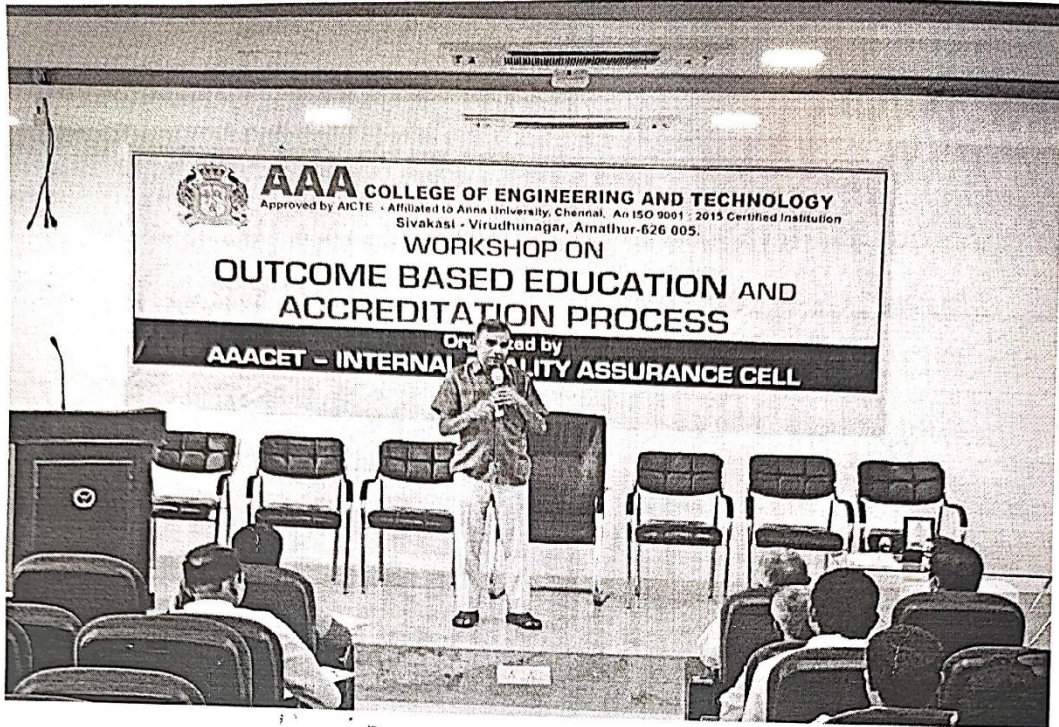

Date: 12.09.2020

Venue: Sir C.V. Raman Seminar Hall, Cambridge Block

IQAC of AAA College of Engineering and Technology organized a Faculty Development Program on “Outcome based Education and Accreditation Process” was conducted on 12.09.2020 for our teaching faculty. **Dr.K.Muneeswaran, Sr.Prof & HOD/CSE, Mepco Schlenk Engineering College, Sivakasi**, acted as the Resource person of this faculty development program. This faculty development program was very useful for the faculty members to learn about the process of quality assurance and improvement. The expert shared about how to identify the impediments in implementing the concepts of OBE in learning environment and addressed them by the process of learning. The following accreditation criteria was shared with the faculty members: Organization and governance, Financial resources, Physical resources and facilities, Faculty and staff Student intake quality, Teaching – learning process, Co-curricular and extra-curricular activities, Student services & counseling, Research & Development, Industrial interaction. Total of 47 faculty members were attended and gets benefited from this faculty development program.

SUMMARY REPORT

“BLOOM’S TAXONOMY ON CURRICULUM”

The Internal Quality Assurance Cell (IQAC), AAA College of Engineering & Technology, Sivakasi organized a “Bloom’s Taxonomy on Curriculum” for the faculty on the 7th, September, 2020 from 1.30 p.m. to 4.30 p.m. at Sir C.V. Raman Seminar Hall. The resource person of the workshop is **Dr.K.Muneeswaran, (Senior Professor & HoD/CSE) Mepco Schlenk Engineering College, Sivakasi.**

The resource person shared various views and many short stories related to the topic and explained the concepts. The various practices were given by the resource person in which, the faculties would be fully engaged throughout the session for the entire duration of programme. Also thought Bloom’s taxonomy is to encourage higher-order thought in their students by building up from lower-level cognitive skills. Behavioral and cognitive learning outcomes are given to highlight and how Bloom’s taxonomy incorporated into larger-scale educational guidelines. The time during the Program is also used to rectify some question setting and assessment plan for exploring their academic plan and making them work for excellence and performance. It will help to make the faculties to rebuild their knowledge under all the levels of bloom’s taxonomy. Totally, 49 Faculties were attended the program.
