The institute is proactively taking efforts in providing an inclusive environment. The initiatives are to promote better education, economic upliftment of the needy and setting communal harmony. Minority/SC/ST scholarships are provided for economically poor and eligible students to promote education. AAACET promotes universal values, communal harmony, and tolerance towards cultural, regional, linguistic diversities through apt forums. NSS, YRC, UBA and Rotaract club organizes various event in the neighborhood such as medical/blood donation camp, eye check-up camp, vaccination camps and various awareness programs. Motivational programs are also being conducted for the benefit of surrounding school/polytechnic/college students. These activities create an inclusive environment by bringing students and teachers with diverse background on single platform for creating inclusive environment and also helps in developing tolerance harmony towards culture, region and linguistics and also communal social economics and other diversities. The subject's on human rights and professional ethics are included in the curriculum. National and international days, anniversaries of great leaders are commemorated in the institute. To inculcate unity and diversity various religious festivals such as Deepavali, Pongal, Christmas and Ramzan are celebrated. Students and faculty expose their communal, religious and linguistic diversity in various technical and cultural events conducted by the institute.

VACCINATION DRIVE FOR COVID 19 - 27.03.2021

WHO has declared the COVID-19 epidemic affecting countries as a Pandemic. COVID-19 vaccination will help save lives, stabilize health systems and drive economic recovery. India rolled out the world's largest vaccination drive from January 16 to vaccinate the citizens against the coronavirus disease. On 27-03-2021, the Primary Health Centre, Amathur & NSS Unit of AAA College of Engineering and Technology, Sivakasi organized a Vaccination drive for the staff members in the college campus. Nearly 50 staff members were benefitted from this drive. This vaccination drive was inaugurated by our honorable Principal Dr.M.Sekar. The team of frontline workers from the Primary health centre, Amathur headed by Dr.V.Vaitheki has successfully vaccinated our staff members. This drive was coordinated by the NSS unit coordinator Mr. S. Balamurugan Assistant Professor of Mechanical Engineering, Physical Director Mr.K.Rajkumar.

Vaccination Drive for COVID 19 - 27.03.21

Vaccination Drive for COVID 19 - 27.03.21

How to poll your vote in voting machine

UBA (UNNAT BHARATH ABHIYAN) Cell of AAA College of Engineering and Technology (AISHE Code-49143), Sivakasi organised an awareness program on “**How to Poll your Vote in Voting Machine**” during election for the people in the Amathur.

The programme was inaugurated by our beloved AAACET Principal Dr.M.Sekar. Mrs. V.Malarkodi Amathur Revenue Inspector (RI), Mr. N.Umaganesan Amathur Village Administrative Officer (VAO), AAACET UBA Cell coordinator Mr.R.Meby Selvaraj, AAACET Physical Director Mr,K.Rajkumar and 60 students of AAACET are present. In this regard, the students went in the streets of Amathur and raised their voice for 100% polling in the upcoming election. Then a camp was organised near Amathur Bus Stop for the rural people and for the first-time voters present in and around Amathur. The student of AAACET teaches the people to use the Voting machine. Around 500 people in and around Amathur joined in the program and gained knowledge on polling the vote through Voting Machine. This camp was coordinated by the UBA Cell Incharge Mr.R.Meby Selvaraj Asst. Professor of Mechanical Engineering.

100 % Polling in assembly election

UBA (UNNAT BHARATH ABHIYAN) Cell of AAA College of Engineering and Technology (AISHE Code-49143), Sivakasi organised an awareness program on “**100% polling in Assembly Election**” for all students and staff in our AAA College premise.

The programme was inaugurated by our beloved Principal Dr.M.Sekar, The students and staffs pledged “We, the citizens of India, having abiding faith in democracy, hereby pledge to uphold the democratic traditions of our country and the dignity of free, fair and peaceful elections, and to vote in every election fearlessly and without being influenced by considerations of religion, race, caste, community, language or any inducement” and then they signed in the signboard banner placed in front of the Cambridge Block. More than 300 members including students, staffs and Non-Teaching Staffs came forward to sign the signboard banner. This camp was coordinated by the UBA Cell Incharge Mr.R.Meby Selvaraj Asst. Professor of Mechanical Engineering.

Election awareness programme – Democracy Festival 2021

NSS Unit of AAA College of Engineering and Technology, Election department of Virudhunagar district jointly organized the voter awareness program with an aim to increase the voter turnout in the ensuing Assembly election for all students and staff members in our college campus. Our beloved Principal Dr.M.Sekar welcomed the gathering. Our college correspondent Dr.P.Ganesan welcomed the chief guest with a shawl. All the college students were standing in a position to create awareness about the election in front of the open auditorium. Virudhunagar District Collector, R.Kannan, inaugurated a model polling booth at our campus. The model polling booth with all basic facilities and some decoration was meant to attract voters into the booth. First time voters will not know what is there inside the polling booth. To make them familiarize, we have set up the model polling booth. District Collector administered a pledge to the students on the need to vote without getting anything favor from the candidates. The Collector insisted the students should come forward to vote in the Assembly election in order to participate in the democratic process. This awareness program was coordinated by the Physical Director Mr.K.Rajkumar, S.Balamurugan, Assistant professor of Mechanical Engineering & Dr.V.Vasanthi Wilfred, Assistant Professor of English Department.

REPORT ON “Swab Test – COVID - 19”

Venue: Oxford Block

Date: 19.10.2020

On 19-10-2020, the Primary Health Centre, Amathur & NSS Unit of AAA College of Engineering and Technology, Sivakasi organized a Swab Test Camp for COVID 19. Nearly 30 staff members were benefitted from this camp. This camp was inaugurated by our honorable Principal Dr.M.Sekar and our college Joint Secretary Dr.K.Vignesh Kumar. The samples were collected by the team of medical officers headed by Dr.V.Vaitheki, Primary Health Centre, Amathur. This camp was coordinated by the NSS unit coordinator Mr. S. Balamurugan Assistant Professor of Mechanical Engineering, Physical Director Mr.K.Rajkumar.

Swab Test - Covid-19 - 19.10.2020

REPORT ON “Awareness Program – Dengue Fever”

Venue: Oxford Block Date: 10.10.20.

As per the instruction given by the Ministry of Health and Family Welfare, NSS Unit of AAA College of Engineering and Technology, Sivakasi conducted an awareness program on 10-10-2020 in the college campus. Our beloved professor, Head of the Department of Science & Humanities, Mr.V.Thiraviarajan welcomed the chief guest Dr.Vaidhegi, Government Hospital, Amathur & Mr.R.Subramaniam, District Entomologist, Virudhunagar. Our chief guest Dr.Vaidhegi initiated the lecture about the Dengue fever. Our chief guest Mr.R.Subramaniam delivered the talk about the root cause of the Dengue fever and the methods to eradicate it. He insisted the staff members to convey this information to their relatives. All the staff members eagerly attended the program. Many staffs are gained more information about dengue fever through this program. This awareness program was coordinated by the NSS unit coordinator Mr. S. Balamurugan Assistant Professor of Mechanical Engineering & Mr.K.Rajkumar, Physical Director.

**Requisition letter for Establishing Covid care center from Tahsildar,
Mrs.V.Muthulakshmi, B.A**

WHO has declared the COVID-19 epidemic affecting countries as a Pandemic. Due to the inflow of persons from affected countries, other state has strengthened the surveillance and control measures against the disease and has gone forward in identifying almost all possible contacts thereby preventing the spread of disease and timely health interventions to affected persons. State-level, District level, and Local Self Government Institution level structures have been set up in the state to ensure a coordinated response to COVID 19 management. Interdepartmental coordination at the district level to handle issues and

spreading of information, education, and communication-related to COVID 19 is spearheaded by the District Administration.

Covid19 Care Center is a comprehensive solution for effective daily reporting/monitoring of the quarantine and health status of the people under surveillance by Field Health Workers and provision of health service through the Medical Officers based on the reports available in the hospital. Our college Covid Care center starts from 21st July 2020 & it is ended at 25-08-2020. Nearly 730 patients benefitted from this care center.

Quarantine Center – Monitoring Details

The district collector honored our college principal Dr.M.Sekar with the appreciation momento for providing this covid care center facility to our district.

Depending upon the level of infection, the patients would be admitted to the hospital. If the patients were asymptomatic or mildly symptomatic, they would be shifted to the COVID care center at the college campus of AAA College of Engineering & Technology.

Virudhunagar District Collector Mr.R.Kannan I.A.S, distributing appreciation Award to Dr.M.Sekar, Principal, AACET

With the creation of more facilities, the college has now been made a special COVID Care Centre. Our college NSS volunteers prepared the arrangements for the accommodation with new cots and beds in the reading hall of the hostel. With this, they can accommodate 300 patients. Our college NSS unit ensures all the basic facilities for the patients to make them comfortable in the college campus. Dr.V.Vaitheki, Primary Health Centre, Amathur told that, the green and clean atmosphere with good airflow is an added advantage to the patients to feel comfortable while being treated at the care centre in our college. They will not feel that they are in hospital.

Too much stress releases the hormone known as cortisol, which impairs the response to immediate surroundings and makes your body susceptible to infections. The best way to relieve stress is through meditation & Yoga. All yoga practices utilize deep relaxation which could release all tensions and stresses to prevent immune suppression that would otherwise have weakened the responses to the onslaught of infectious bacteria and viruses. Yoga Master Mr.D.Muthukumar demonstrated various yoga's & explained the benefits of it. The patients actively participated in the demonstration with all eagerness.

Besides allopathy doctors, Dr.S.Syed Sheriff, B.S.M.S, Ayush Medical Officer, Amathur, Government Primary Health Center visited the center regularly to treat the patients. The food you eat plays a key aspect in determining your overall health and immunity. Good nutrition is crucial for health, particularly in times when the immune system might need to fight back. Sprouting increases the nutritive value of the ingredients and provides better digestion. The young sprouts have 10 to 100 times glucoraphanin which is an enzyme that provides antioxidants and increases the activity of chlorophyll which helps in detoxifying your body by boosting the oxygen levels in the body. Arrangements were put in place to provide quality vegetarian, non-vegetarian food & the sprouts to the patients as per the treatment protocol.

NSS Unit of AAA College of Engineering and Technology, Sivakasi has donated Pulse Oximeter to Dr.N.Anbuvel, MBBS, MD, Dean, Government Medical College, Virudhunagar on 20-07-2020. Our college staff, Mr.G.Manikandaraja, Assistant Professor handover the instrument at the hospital premises.

Cultural activities performed by the students

Number of girls students admitted in the Academic Year 2020 – 21

Sl.No.	Department	Strength	No. of Girl students	%of girl students
1.	Civil Engg	38	18	47.36%
2.	CSE	51	31	60.78%
3.	EEE	33	12	36.36%
