DEPARTMENT OF ECE

ECE ASSOCIATION ACTIVITIES (2017-2018)

- Guest Lecture on Recent trends in Embedded and real time systems on 07/07/17 for IV Year ECE students
- Guest Lecture on Advanced VLSI Design on 14/07/17 for IV Year ECE students.
- Workshop on Android App development on 21/7/2017 for II and III Year ECE students.
- Guest Lecture on Signal and Systems on 03/08/2017 for II Year ECE students
- Guest Lecture on Biometric signal processing on 09/08/2017 for II and III Year ECE students
- Guest Lecture on Basics of DSP and its applications on 16/08/17 for III Year ECE students
- Guest Lecture on Image processing on 23/08/2017 for IV Year ECE students.
- Workshop on Embedded systems on 01/09/2017 for IV Year ECE students.
- Guest Lecture on Satellite Communication on 08/09/2017 for IV Year ECE students.
- Guest Lecture on Embedded systems on 15/09/2017 for IV Year ECE students.
- Guest Lecture (Through Skype) On Trends in Software industries on 05/10/2017 for II, III and IV Year ECE students.
- Guest Lecture (Through Skype) On Control Engineering on 07/10/17 for II, III and IV Year ECE students.
- Workshop on IC manufacturing on 13/10/2017 for III Year ECE students.
- Guest Lecture on Image processing on 16/10/2017 for IV Year ECE students.
- Guest Lecture on Optical Communication & its uses on 20/10/2017 for IV Year ECE students.
- Guest Lecture on Signals and its applications on 04/01/2018 for II and III Year ECE students.
- Guest Lecture on Computer networks on 11/01/2018 for III Year ECE students.
- Guest Lecture on Carrier Guidance on 25/01/2018 for IV Year ECE students.
- Guest Lecture on Embedded Systems and its Applications on 30/01/2018 for IV Year ECE students.
- Guest Lecture on Management on 02/02/18 for IV Year ECE students.
- Guest Lecture on Wireless networks on 09/02/18 for IV Year ECE students.
- Guest Lecture on Image processing on 16/02/18 for IV Year ECE students.
- Guest Lecture on Advanced VLSI Design on 23/02/2018 for III Year ECE students.
- Guest Lecture on Astronomy and Astro Physics on 09/03/18 for II, III and IV Year ECE students.

- Guest Lecture on Networks on 16/03/18 for III Year ECE students.
- Guest Lecture on from knowledge to knowing on 22/03/2018 for II, III and IV Year ECE students.
- Guest Lecture on Image processing on 23/03/2018 for IV Year ECE students.
- Guest Lecture (Through Skype) on Principles of management on 24/03/18 for III Year ECE students.
- Seminar on Control systems on 13/04/2018 for II Year ECE students
- Guest Lecture on VLSI on 20/04/2018 for III Year ECE students.
